

A soft, faded background image of a family portrait. A man in a white polo shirt and light-colored trousers stands on the left, looking down at a young child. A woman in a white dress stands in the center, holding the child. The child is wearing a patterned sweater and corduroy pants. The overall tone is warm and elegant.

30 MINUTE MINI SESSIONS – £199

These sessions are a great way to capture some beautiful professional photographs in a shorter space of time! These mini-sessions are £199 (which includes 5 digitals), These sessions are suitable for Family, Maternity, or Headshot session! After your shoot, we will design an online gallery with all your beautifully edited images so you can choose your favourites! These images are perfect for printing, posting on social media or sending to family and friends!

SITTER, CAKE SMASH & FAMILY SESSIONS

At Photo Magic Studio, we capture every stage of your family's journey. Our Sitter Sessions are perfect for babies who can sit independently, showcasing their growing personality with beautiful, timeless portraits. Cake Smash Sessions are a fun and memorable way to celebrate your little one's first birthday, complete with adorable setups and plenty of smiles. We also offer Family Sessions for all ages, creating natural, heartfelt portraits that you'll treasure for years to come, whether you're celebrating a special milestone or simply updating your family photos.
